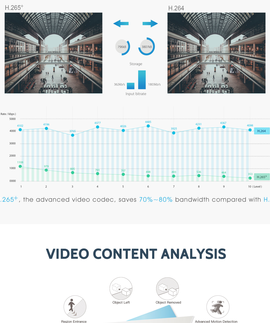
H.265+ VANDAL-PROOF MINI DOME NETWORK CAMERA

Milesight Vandal-proof Mini Dome Network Camera is the latest model of Mini Series featured by a Weather-proof and vandal-proof housing for indoor and outdoor applications, while inheriting all the advanced functions of its predecessors, delivering superior day and night performance.

LEADING-EDGE H.265+COMPRESSION



H.265+, the advanced video codec, saves 70%~80% bandwidth compared with H.264

VIDEO CONTENT ANALYSIS

Milesight VCA with 10 detection modes provides advanced, accurate smart video analysis for Milesight network cameras, enabling the comprehensive surveillance function and quicker response to different monitoring scenes.

0.002LUX ULTRA LOW-LIGHT

The starlight camera is able to deliver high detailed color images even in the low light environments reaching 0.002Lux (Color) or 0Lux (B/W), and near infrared light environments without any supplementary lighting.

140dB SUPER WDR

Milesight's sensor-based WDR technology allows the camera to record greater scene details with true color reproduction even under the extreme back light and high contrast conditions. The ratio that the brightest light signal values divided by the darkest light signal values is up to 140dB.

RELIABLE ANTI-VIBRATION PERFORMANCE

Complying with the transportation-industry regulations of EN50155 standard, H.265+ Vandal-proof Mini Dome Network Camera is able to offer train specific rugged features to protect the system against environmental factors such as high/low temperature, shock, vibration and power surge.

IP67&IK10

Sharply contrasting to the mini size, the H.265+ Vandal-proof Mini Dome Network Camera features the industry leading IP67-rated weather proofing and IK10-rated vandal proofing, which allow to protect the camera against adverse impacts to ensure the robust performance.

LATEST IR LED TECHNOLOGY

Equipped with LEDs of the latest generation, the camera provides superior night-time images and delivers absolute performance in night vision surveillance.

UNIQUE DESIGN FOR EASY INSTALLATION

The new model is designed for easy and quick installation. The 3-axis mechanical design, built-in microSD/SDHC/SDXC card slot and PoE module make it truly installer-friendly.

TWO COLORS AVAILABLE

Available in White and Black, the Vandal-proof Mini Dome Network Camera provides more choices for your preference.

SIP/VOIP SUPPORT

Milesight H.265+ Vandal-proof Mini Dome Network Camera features industry leading SIP/VoIP function and video streaming for mobile phones and video phones.
