DINTEK UTP/STP Premium Cable Stripper

Twisted pair cable prep has never been made easier! DINTEK's new premium twisted pair cable stripper is small enough to fit into your pocket and provide quality cable preparation.

With an adjustable cable cutter and stripper for round cables; UTP/STP and Coaxial telephone and data cables; and other flexible cables, DINTEK's cable stripper provides effortless, finger-loop cutting and stripping of flexible cables. It features easily adjustable blade depth to "score" without damaging shielding and conductors.

Features

- Professional all-in-one cutter/stripper for twisted pair and coaxial cables
- Cuts and strips multiple cable types: twisted pair (UTP/STP): Cat.6A, Cat.6, Cat.5e and Coax: RG6, RG59
- Easy-to-use combination cutter/stripper
- Adjustable stripping blade for UTP/STP accommodates different insulation thicknesses without damaging conductors
- Contoured finger grips for cutting power
- Ensures damage-free stripping
- Use with twisted-pair wire tightly wrapped stranded cables
- Includes guides for wire straightening

Applications

- Premise wiring
- Fiber optic cables
- Cable assemblies
- Cable repair

Benefits

The DINTEK ezi-STRIPPER stands out for its exceptional precision, enabling users to strip cables effortlessly and with utmost accuracy. With a single circular motion, the tool seamlessly removes the outer jacket of various types of cables, including twisted pair cables, coaxial cables, and fiber optic cables. This eliminates the need for multiple tools, saving valuable time and effort.

The ergonomic design of the DINTEK Cable Stripper further enhances its usability. It features a comfortable, non-slip grip, allowing for prolonged use without discomfort or strain. The intuitive controls and adjustable blade settings enable users to customize the stripping process according to specific cable requirements, further simplifying the task at hand.
